History & Background Information

On August 1st 2016 we launched the GMB National Life Long Learning Fund
This fund is available to members to help them access education.

The fund was launched to coincide with the first meeting of the GMB National lifelong Learning Committee which was created in line with Congress Motion 74 2015. Any member who meets the requirements can apply to it for financial assistance in pursuance of education and training.

This membership benefit is viewed as both an organizing tool and a retention tool.

As an organising tool for non-members of the GMB have to become members and have at least 53 weeks continuous subscriptions to apply.

As a retention tool it is aimed at members who may have recently lost their employment and need financial assistance to assist them to upskill and reskill.

It is also available to members who want financial support to help them
