A GMB message to Milton Keynes Serco workers

Pay Increase Update

GMB Meeting Wolverton

06.30 am

Monday 5th of December

Meet in the yard before work- All welcome, it is your wages so make the effort to attend and spread the word to your workmates. Meetings like this will show you are together and strengthens your hand in the negotiations.

This is why you should make the effort to attend.

We have registered a formal disagreement with Serco in regard to their failure to give you a decent pay increase.

With inflation running at 11% and RPI at 14.2% we do not feel that Serco are offering you the wage increase you need to maintain your lifestyle.

The GMB in all conscience cannot recommend that you accept a poor pay offer. We have told Serco this and we are waiting on them arranging a meeting to discuss further. But we cannot wait for this because we need to update you and you have been waiting long enough.

We would like to keep you informed and to canvas your views on the next steps.

The GMB is your union, please attend the meeting and have your say.
